

## **PRESS RELEASE**

July 2022

### **Scott Bader enhances its commitment to India and acquires Satyen Polymers**

**Scott Bader is pleased to announce that Scott Bader Pvt Ltd (India) has acquired the commercial business of Satyen Polymers Pvt Ltd.**

The expanded partnership will see Scott Bader Pvt Ltd (SBPL) assume responsibilities for direct sales and marketing for all resin and gelcoat products, whilst Satyen Polymers Pvt Ltd (SPPL) will manufacture for Scott Bader Pvt Ltd. In addition, SBPL - will expand its product range using Scott Bader technology to bring industry leading composite and adhesive products to the Indian market.

The newly established company demonstrates Scott Bader's commitment to the Indian market and their highly valued Indian customers. Jonathan Stowell, Scott Bader's Group Commercial Director said, "We are delighted as a group to be able to build on our long-established relationships in India to bring best in class composite and adhesive products to the increasingly globally competitive Indian market, including our Crystic<sup>®</sup>, Crestapol<sup>®</sup>, Crestabond<sup>®</sup>, Crestomer<sup>®</sup> and Crestafix<sup>®</sup> brands".

#### **Global expansion**

Scott Bader Pvt Ltd is the latest addition to Scott Bader's growing global presence. In 2021, Scott Bader established Scott Bader Italy and announced a \$16m investment in a new 110,000 square metre manufacturing facility in Mocksville, North Carolina.
